

What's new for November from ALPOA

It's been a busy time for ALPOA, hope you were able to enjoy some of the fun.

We had our fall Bingo, Burgers and Brauts, September 19th. About 120 people showed up to play and we were able to give the Scholarship fund \$824. Thank you to the volunteers for your time and the staff at the Club for all the work you did to make it happen.

We also would like to thank Dedra Mergele and her crew of characters for the great evening of mystery and murder October 3rd. If you didn't make it, we had a good meal and a great time. We'll see if we can twist her arm to do it again in the future.

We also had 15 neighbors and friends show up Saturday morning October 12th to pick up trash on our mile of Highway 48. We collected 19 bags of trash. Thank you to everyone who showed, the Apache donuts were yummy.

ALPOA is still working on a couple of projects here at the Club, but it seems everything takes time.

One of our members, Mr. Thomas Flood will be travelling to Cambodia on a medical mission trip in the near future. Mr. Flood, a member of a group of medical professionals, made the trip last year. Information on the group can be seen on www.surgicalvolunters.org.

In conjunction with the trip, they are requesting donations of iPads which will be given to the children of a nearby local orphanage, which is not equipped with computers. Last year he was able to take 10 iPads for the kids at the orphanage which is supported by the Cambodian government at a budget of only \$37.50 per month per child.

Old iPads will be refurbished and have programs installed for use by the children. If you would like to participate, please take all personal information off the iPad and make sure that it is unlocked. Details of how to erase information can be found at support.apple.com.

Thank you for your contribution to this very worthwhile effort. Please contact Mr. Flood directly at 832-434-1593 to arrange collection.

We hope to see you around the Club!

ALPOA Board of Directors
