

## ALPOA - Thoughts for January

Neighbors and Friends,

Howdy folks, hope you have settled down from the holidays and are meeting the new year head on. I hate to sound like a broken record, but last months news is this month's news. Here we go.

We have started our membership drive for 2020, get your application in before April 1<sup>st</sup> and become eligible for a drawing of a \$50 gift certificate to the Club Dining room.

Again, we invite you to our Semi-Annual Membership meeting which will be February 4<sup>th</sup> in the card rooms at 4:30 PM. We will have a short business meeting, complimentary beer and wine and a presentation on a history of schoolteachers in early New Mexico. It's a great show. Make a reservation and stay for pasta night in the restaurant.

The Club is planning a pre-Valentine's dinner and Dedra is cooking up a game show for entertainment, Thursday the 13<sup>th</sup>, keep your eyes open for details to come.

We always encourage you to keep your lots fire-safe, trees trimmed up 6 - 8 feet, cut away from the house and needles raked. Make your home less of a target. We also ask you don't feed the wildlife; it breaks Mother Nature's plan and could get you or someone else hurt. It never hurts to keep a sharp eye out on your neighbors, never know when a hooligan might be about.

And as always, keep a small bag for trash in your golf cart and grab garbage when you see it. It's a random act that only you will know about but does wonders for our neighborhood. Thanks.

Cheers to 2020!
