

## ALPOA - Thoughts for September

Neighbors and Friends,

So how was your summer? We hope that you had fun up here on the mountain and enjoyed our great Club with your family and friends.

Well at least one of our problems had a bad ending last week as one of our neighborhood speeders missed a corner and struck a tree. Hopefully no one was hurt and thankfully no one's house or other property was damaged. The speed limit in Alto is 30 and Outlaw 25 unless marked otherwise. Please pay attention.

And so far, we haven't had too many issues with youngsters driving golf carts. Got to have a driver's license to drive a Club cart on the course, not a bad rule at home. Your insurance company probably agrees.

We have a few reminders for you to put on your calendars,

Thursday, September 19: Burgers, Brauts and Bingo

Thursday October 3: Murder Mystery Dinner Theater written by our own, Dedra Mergele

Saturday October 12 (tentative) Adopta-Highway Cleanup on Hwy 48, we'll let you know when we firm it up.

The ALPOA Board is also working on a new sign to replace the sign we put up years ago at High Mesa and French. It will be double sided and turned perpendicular to High Mesa so that you can see it from both sides. We also are looking at some other projects. Stay tuned:

And as always, keep a small bag for trash in your golf cart and grab garbage when you see it. It's a random act that only you will know about but does wonders for our neighborhood. Thanks.

Be safe!
