

ALPOA June 2019

ALPOA wishes to sincerely thank all those who have joined our organization for 2019. We currently have 994 members. Sometimes people wonder what ALPOA is all about, and recently someone described us as the property owners' Rotary Club. That's not a bad comparison. Our purpose is to promote the general maintenance, enhancement and well being of properties located in the Alto Lakes G&CC subdivisions. In addition to supporting local charities and handling signage around the community, recent events sponsored by ALPOA included the spring highway clean up on May 4. We had 14 volunteers and picked up 19 bags of trash and several miscellaneous large items. The cleanup happens semi-annually on the mile before and after the entrance to Alto on Highway 48. Another event was the spring Bingo, Brauts, and Burgers held May 23. We have been hosting Bingo nights for several years. Half of the money we take in is awarded in prizes and the other half is donated to the Alto Employees' Scholarship Fund.

ALPOA has an email blast to all its members and by now you should have seen the candidates for the Board of Directors resumes from those who chose to submit one. This is in keeping with previous years whereby the candidates are invited to submit their qualifications, which are then forwarded to our membership. This service is provided to let members who do not attend 'Meet The Candidates Night' on May 31st learn more about the candidates and their goals for Alto.

MARK YOUR CALENDARS FOR UPCOMING EVENTS:

- ALPOA semi-annual general meeting will be held on July 16th, at 4:30 PM. Dan Knorr, President of the Alto Lakes Water and Sanitation District, will present an overview of the District's past accomplishments and plans for the future.
- ACC Rally Around the Flag Parade on July 4th. Details of this special event will be presented over the next few weeks and we are hoping response from our members will equal or surpass last year's event. Patriotic decorations on golf carts, motorcycles, ATVs, etc. create a wonderful sight on this special day. The parade will go from the Outlaw clubhouse to the Alto club parking lot, followed by a short patriotic ceremony at the flagpole.
- ALPOA is planning a special night out on October 3rd when a 'Murder Mystery' dinner event will be presented in the Pavilion. This will certainly be a fun night for all.
